Putting on the Miles

Itin-er-ate *To Journey from place to place in or on circuit. -I-tin'er-a'tion n.*

Itineration to us means making the connections that will keep us alive and thriving during our next term in Thailand. We understand now more than ever that **you** are vitally important to our mission. Without your prayer support, miracles would not happen and the churches would not grow. Without your communication we would get discouraged. And without your financial support ... that goes without saying.

Itineration also means keeping the original vision of the Assemblies of God alive. One of the primary reasons for the formation of the A/G was to facilitate the sending of missionaries around the world. That vision has resulted in phenomenal world-wide growth. We are committed to

doing what we can to inspire that vision to continue throughout our movement.

As of the end of March we have visited over 60 churches, putting on some 22,000 miles. PTL for His gracious protection and blessing during this time!

Three months of itineration remain before we move back to Chiangmai. Thank you for your continued prayers for God's anointing and protection on us during this important phase of our ministry.

MN WM's Bless Our Home

In October Janie attended the MN Women's Ministry Retreat where she was given the privilege of choosing a complete set of accessories for an entire room of our Thailand home.

Pictured at right is Janie beside the bountiful gifts provided by the SW District.

Thank you so much WM's!

NOTICE:

If we were not able to visit you during this furlough schedule, we would like to send you our PowerPoint presentation showing some of the highlights of the past three years. If you would like to receive this CD please contact us at the address on the following page.

We were privileged to host David Sirachai this year for Christmas in our furlough home. David is one of the TLC members with a ministry calling. He is currently teaching at YWAM's School of Biblical Studies in Montana, and plans to return to Chiangmai in 2004 to help teach in our bible school.

TLC Project Update

In our previous newsletter we wrote about the phenomenal growth of the TLC church and of the many young people who now sense the call of God to full-time ministry. In

less than three years this church has grown to be one of the largest A/G churches in the nation!

Our leadership has given us approval to raise money to purchase the

building pictured below. They currently rent half of this building.

The new facility will accommodate over 200 people and will also serve as a bible school where we plan to train pastors and church leaders.

As of March we have raised about \$50,000 of the \$150,000 needed. The rest must be raised by July.

Please pray for a miracle of provision!

Special Thanks

Several churches and individuals have made significant special contributions toward our building project. We want to extend our **special thanks** to each of you.
