What a Team... Again!!! 2

TLC Building Project Takes Off 2

Special points of interest:

Over the years we have received prophecies that revival in Thailand would begin in the North and flow south through the nation.

Ongoi is a District (County) in southern Chiangmai Province. Over the past few years the people there have been coming to Jesus in unprecedented numbers.

Last month over 20,000 attended a Christian camp filled with signs and wonders. There is excitement among Christians that something big may be beginning in Thailand.

Pray for revival in Thailand!

NCU 9-Days-Team Whirlwind

Twelve North Central University students gave their spring break for a Thailand missions trip. We were privileged to host them at an AG orphanage in Chiangrai.

They worked non-stop for a week, painting and fixing up the orphanage as well as doing two children's outreach meetings.

Thank you Tone and team!

Village Church Birthed

God is doing something amazing in Ban Pong Village! For the past three years we have been sharing Jesus with two TLC Church cleaning ladies. In January they invited us to come to their village to teach about Jesus.

Every Thursday evening a growing group of villagers come to listen to the stories of the Bible. As of the writing of this newslet-

ter, five have committed their lives to Jesus and several more are very close.

Historically, Thai villagers have been closed to the Gospel. It seems the spiritual atmosphere here is changing. Your prayers are making a difference!

Please pray for Pot, Gunlayaa, Amm, Oui and Aeow.

What a Team ... Again!!!

Remember our greatest teams ever? Maranatha AG in Forest Lake, MN has blessed us with *awesome* building teams. This year's team was no exception.

They transformed the Mae Wang church building from a dilapidated onion plant into a beautiful church in 6 days!

Thank you again "M Team!"
